*Clearing the Path to Your Success!™*

## Spiritual Therapy

*No Gimmicks, Techniques or Medical Intervention.*

We offer practical applications to life's situations designed to Educate, Empower and Clear Your Path to Success, to catapult you into destiny. Strictly confidential private and corporate sessions begin with an initial *FREE* 30 minute phone consultation. Next, we establish a session date, where you choose to personally visit us locally, or remain in the comfort of your home at your remote site, to begin the 5-Step process.™ At that time, you will be given a Progress Chart, and possibly a Homework assignment. Because each situation is unique, it is possible not all steps will be completed during one session. However, based on personal testimonies, after just one session, you will feel "as if something has been lifted," "brighter," "lighter," and have more joy.

**So why not eliminate life's plagues today?**

Now is the time to take back your  
joy, peace, health, faith and  
prosperity.  
*Galatians 5:22*

Now is the time to use the  
keys you have been given.  
*Matthew 16:19*

Now is the time to Enter into His Promises and  
abide in the Kingdom of God, which is  
righteousness, peace and joy in the Holy Ghost.  
*Hebrews 4:1; 6:12, Romans 14:17*

**Break Free and Live Prosperously!**
